(8 marks)

**10. Read the following passage and answer the questions**

**Farm in the mountains**

Peter lives in a farm with his mother, father and sister Jane. He is 10 years older than Jane. The farm is in the mountains in Katugasthota, and their school is in Kandy which is twenty miles away. So they go to school by bus. In the farm they keep pigs, sheep and cows. Pigs are kept for meat but the cows are mainly for milk. Peter's job is to feed the chicken and clean them out and collect eggs. He can then sell the eggs in school for pocket money. Peter and Jane mostly spend their time in the farm and never miss the studies as well.

1. Where does Peter's farm situated? .....
2. Is Jane younger or older than Peter? .....
3. How do they go to school? .....
4. How does Peter earn his pocket money? .....
5. Colour only the animals which can be seen in the farm.
