c) Large		
d) tender		
e) happy		

( 1 x 10 = 10 marks )

10) Read the following poem and answer the questions given below

## The Little Fairy

A little fairy comes at night  
 Her eyes are blue, her hair is brown,  
 With silver spots upon her wings;  
 And from the moon she flutters down.

She has a little silver wand,  
 When a good child goes to bed,  
 She waves her wand from right to left;  
 And makes a circle round its head.

And then it dreams of pleasant things,  
 Of fountains filled with fairy fish,  
 And trees that bear delicious fruit;  
 And bow their branches at a wish.

Thomas Hood

1) What time of the day is it ?

.....

2) a) Where does she come from ?

.....

b) Pick the line that support your answer

.....
